This exploded perspective view illustrates the assembly of a mechanical device. The main components include:

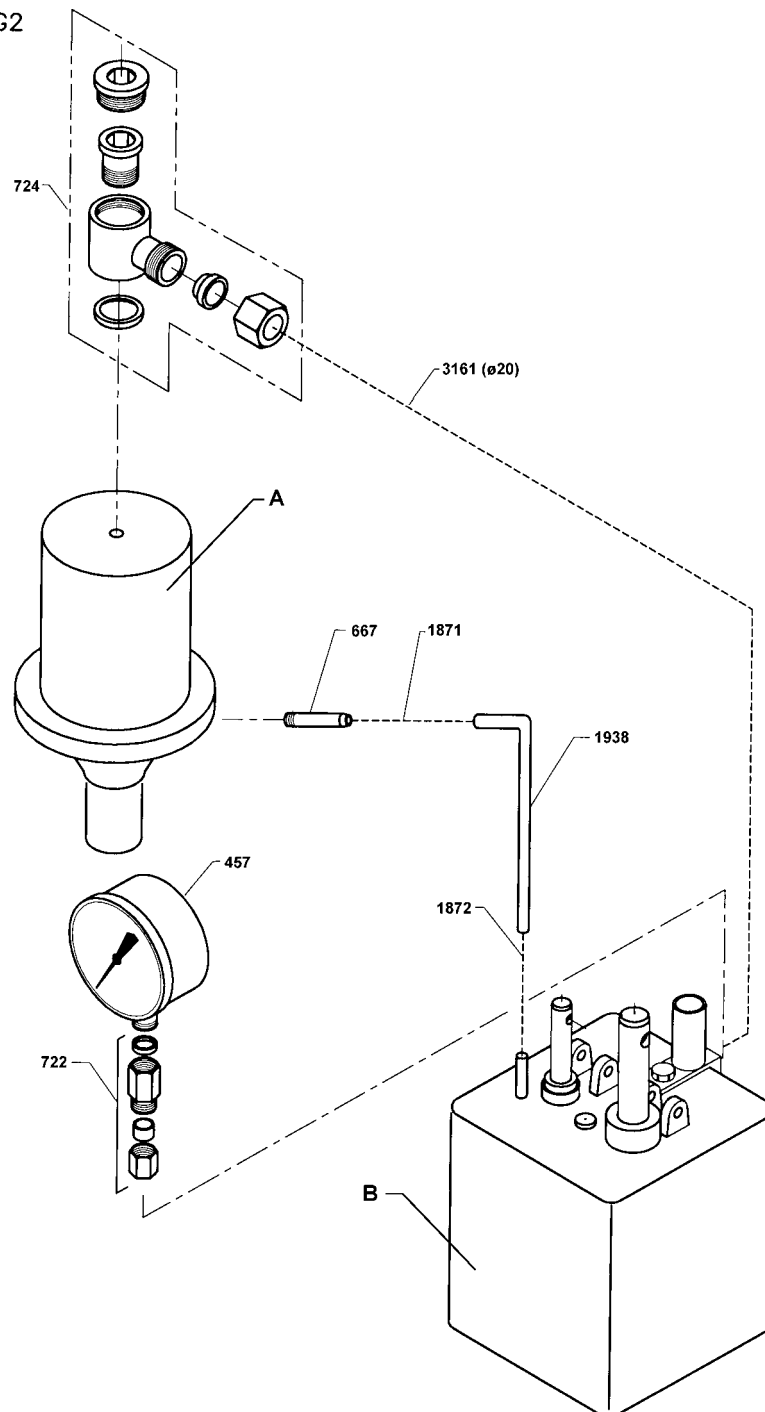

- 120**: A vertical support structure or frame.
- 392** and **393**: A pulley or roller assembly with a cable or rope passing over it.
- 3160**: A horizontal support or guide rail.
- 1645**: A rectangular plate or bracket with two circular openings.
- 1587**: A rectangular plate or bracket with a central slot.
- 1586**: A small component, possibly a pin or clip, located within the slot of 1587.
- 3055**: A long, thin rod or shaft.
- 1573**: A small circular component, possibly a bush or washer, at the end of the rod 3055.
- 2598** and **1590**: Small fasteners or pins.
- 1646**: A cylindrical component, possibly a roller or guide wheel.

The diagram shows how these parts are assembled together, with dashed lines indicating the alignment and position of the components.
