

Certificate

We the undersigned, PARKER HANNIFIN MANUFACTURING FRANCE SAS, Fluid Systems Connectors Europe, manufacturer of fittings and industrial valves, hereby certify that, the products listed below have been tested according to the requirements of EN 16889 standard.

Test has been performed by an accredited laboratory and the migration results are lower than the specific migration limits required in this standard.

Thus the material characteristics are in compliance with applicable criteria of metallic products in contact with water.

PRODUCT IN COMPLIANCE WITH THE ABOVE SPECIFICATIONS:

PARKER part number: 36xx xx xx 84
Description: low lead brass fittings

Date: Wednesday, 21 February 2018

Olivier GUILLOU
