ALCO SPRAY

DESCRIPTION

Avoid the spread of infection at work and in your home with ALCO SPRAY.
This is an effective disinfectant spray for bacteria and many types of viruses.
Available in two different versions, 75 ml with aloe vera as a hand disinfectant spray and a 500 ml without aloe vera suitable for all other kind of surfaces.

PROPERTIES

- Effective on both surfaces and hands for all bacteria and many viruses.
- Provides significant opportunities for reduced sick leave and costs.
- Very easy to apply and dries out quickly.
- The spray feature makes it easy to use on all kind of surfaces.
- Safe for the skin and most surfaces.

FIELD OF APPLICATION

- The hand disinfectant is easy to apply to the hands with aloe vera to moisture the skin.
- By spraying the product on the hands and disinfecting them, dangerous bacteria are eliminated.
- The disinfectant product is designed for use in healthcare and all other places where hygiene is important.
- Can also be used in places where bacterial cultures can thrive as toilets, kitchens, public areas etc.
- Always test for suitability on a small inconspicuous area prior to use.

USER INSTRUCTIONS

Use on hands:

- Wash your hands and dry them off.
- Shake the can.
- Spray the hands of a distance of about 20-30 cm until hands are completely wet and then rub your hands thoroughly.
- Let your hands air dry for 30 seconds.

Use on surfaces etc.

- Shake the can.
- Spray the pre-cleaned surface of a distance of about 20-30 cm.
- Allow to air dry.
