UBM 6-20 M

The UBM 6-20 M is a universal bending device for steel pipes up to 20 mm OD. It comes with a set of bending rolls for common applications.

An integrated scale for angle detection helps you to reach the required pipe dimension in only one work step. The telescopic lever keeps the operator's forces low when bending rigid pipes.

Compact design
Compact for mobile usage
Standard with a set of 9 bendings rolls
User friendly
Easy handling
Simple adjustment
Wide workpiece range
Innovative design
Angle scale included
Telescopic lever
